

# Manage your cards

Did you know you can manage your debit, credit and prepaid cards? With JuicebyMCB, this has never been easier.

## Unparalleled convenience at your fingertips

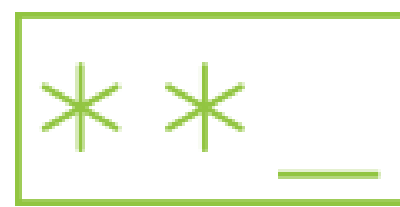

Coupled with ease of use, peace of mind and flexibility, discover the various ways you can effectively manage your cards from your Juice app.

### Activate your card

Setting up your cards is easy, quick and secure. Select your card and activate it by following the steps. Confirm the operation via an ATM by using the card for the first time.

### Change PIN code

You don't have to go to an ATM or branch to change your PIN. Manage your PIN conveniently from your Juice app and keep yourself secure.

### Reload prepaid card

Juice provides you one more convenient and quicker way of reloading your prepaid card. Select the card and top-up the required amount.

### Settle your credit card

Pay off your credit card balances instantly via Juice. All you have to do is to select your cards and transfer the amount in the 'Manage Cards' tab.

# Pay & Transfer

A spectrum of payment and transfer options, all in one place, to help you manage your finances wherever you are, at your convenience.

## Your smartphone is always with you, so is your bank

With Juice, it's everyday banking right at your fingertips. Whether you're in line at the grocery store, rushing to a meeting or travelling half-way around the globe, you can breeze through your favourite banking tasks 24/7, 365 days a year, from your JuicebyMCB app. Coupled with security and ease of use, you can make instant payments, transfer money, withdraw cash without a card and even pay your bills – the perfect way to do banking on the go.

## A vast array of features to simplify your life

### Transfer of funds

Need to pay someone back right away? Send money instantly to your friends and family. You only need their phone number, email address or MCB account number.

### Pay a merchant

Have to settle a restaurant bill, pay for fuel at the gas station or any other service? Enter your Juice agent's mobile number or scan the QR code to complete the payment.

### Pay bills conveniently

You are away and have to pay your bills? With Juice, schedule your utility bill payments to CEB, CWA; income taxes to MRA and education fees to the University of Mauritius.

### Refill your mobile

Running out of credit? Reloading mobile phone credit for you, your family and friends anytime, anywhere has never been easier, quicker and simpler.

### Cardless cash at ATMs

Need cash in an emergency situation and don't have your card or wallet? With Juice, send money quickly to you, your friends and family, to any nearest ATM, even if they are non-MCB customers.

### Receive cash instantly

Run out of cash? All you have to do is transfer money from your bank account to that of a merchant and receive instantly the equivalent amount to be cashed out.

### Shop with PayPal

Looking for a convenient way to pay and get paid online? You can create or link your PayPal account on Juice, reload it anytime, send money to users and transfer funds to your bank account.

## Visa Direct

On the quest for a simple, safe and easy way to send and receive money anywhere, anytime? With JuicebyMCB, a world of convenience is at your fingertips.

### A smart, easy and safe cross-border money transfer service

With Juice, forget the conventional fund transfers! There is no need to remember account details or fill in complex forms - only the beneficiary's name and Visa card number are required to transfer funds.

### Visa Direct features on Juice

Whether you are in Mauritius or living half-way around the globe, Visa Direct via your Juice app allows you to

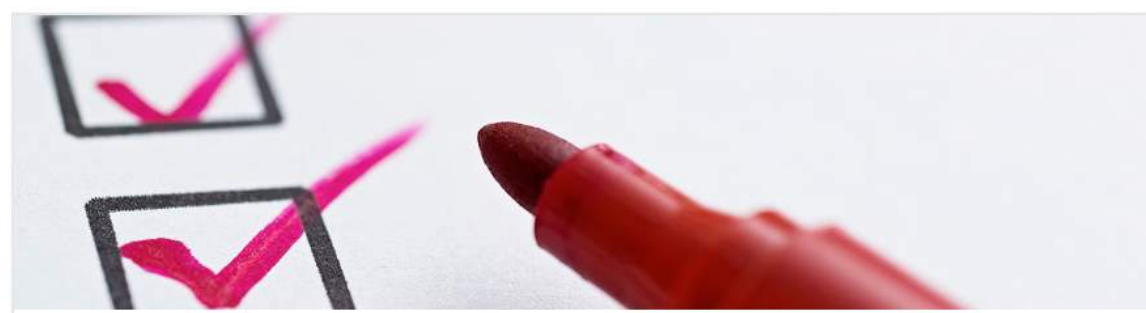

-  Transfer money to your loved ones abroad to meet their personal and educational expenses
-  Share expenses with your friend by sending money from your MCB bank account to his/her Visa debit, credit or prepaid card
-  Pay off a Visa credit card bill
-  Send money home to your family, if you're an expat living in Mauritius

### How Visa Direct works on Juice

Easy, safe and convenient to use, all you need is to:

- > Select the account to be debited
- > Enter the recipient's 16 digit Visa card number
- > Enter the beneficiary's name and the amount you want to send
- > Review and confirm the transaction details
- > Upon authorisation, the funds will be received into the recipient's Visa credit, debit or prepaid card

### Limits & Charges

#### Limits

- > Daily: Rs. 50 000
- > Weekly: Rs. 175 000
- > Monthly: Rs. 350 000

#### Charges

- > Local funds transfer: Rs. 20 per transfer
- > Funds transfer abroad: Rs. 200 per transfer

### Terms & conditions

- > Generally, Visa Cards applicable include Visa Debit, Credit and Prepaid Cards issued in Mauritius or abroad. However, other countries and selected Visa Cards are not allowed to receive overseas funds transfers due to local restrictions and regulatory controls. Please check with the recipient's Visa Card issuer to see if receipt of funds from overseas is allowed.
- > Near real-time receipt of funds is available to over 400 overseas card issuers covering more than 200 million Visa Cards. Other card issuers will take 1 to 3 working days to receive the funds.
- > It is important for the sender to confirm that the recipient's card had been duly credited. If the funds have not been received, kindly notify the Bank within 5 working days from transaction date.
